

Sebastian Ott

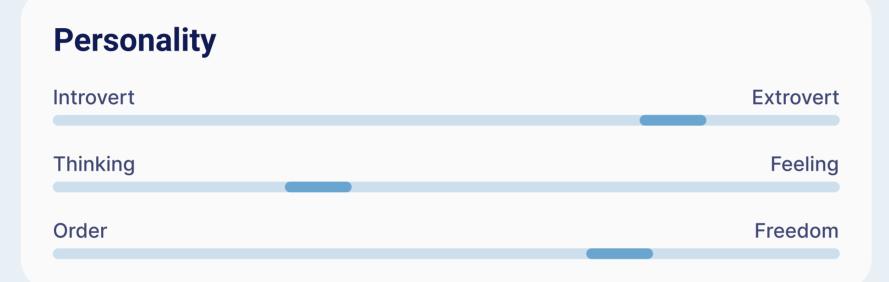

As a trainer at my local fencing club, I need an easy-to-use app to help plan trips for tournaments and team-building activities.

## Bio

Sebastian is a trainer for a fencing club and organizes trips to tournaments for his team. He studies Sports Sciences and has a keen interest in cultural experiences. In his village, he participates in the Cultural Exchange Program with France. He enjoys meeting new people and taking charge of organizational tasks. Sebastian is also open to new technologies.

## **Preffered Channels** Web Social Media Apps

## **Motivation**

Sebastian wants to give his companions an unforgettable experience and will do everything in his power to achieve this. He desires to travel and see every aspect of the world. He is committed to continuously educating himself and not remaining at his current level of knowledge.

## **Experiences**

He is open to new technologies and uses a variety of apps to aid in his planning, including Doodle for scheduling, WhatsApp and Discord for communication, and Booking.com for travel arrangements.
